Declaration of consent for use of images

Scope of this declaration of consent:

This declaration of consent applies to images for publication on FLUX web pages and in all other publications, such as flyers and brochures, by FLUX-GERÄTE GMBH, and its subsidiaries and sales partners, and on various social media channels (e.g. Facebook, LinkedIn, Xing, etc.).

Declaration:

By uploading your photo, as a participant you allow us to publish the image along with your name (first name, surname, first letter only). This presupposes that you are the creator of the uploaded image. The use of third-party images, e.g. from the Internet, is expressly forbidden.

The participant guarantees that s/he holds all rights to the image submitted, owns unlimited usage rights over the parts of the image, that the image is free from the rights of third-parties and that no personal rights were violated owing to the representation of any individuals. If one or more persons appear in recognisable form within the image, the affected parties must agree to the publication of the image. If, however, any third parties make claims due to the violation of their rights, the participant will indemnify the organiser against all claims.

I hereby declare my consent to the use, reproduction, distribution, display and public dissemination of recordings and pictures of me and to the use of my aforementioned personal data for the purposes outlined above. I hereby transfer my image rights to FLUX-GERÄTE GMBH, including the right to use said recordings and pictures for the aforementioned purposes. The consent and right of use will continue to apply even after the competition has ended.

This consent includes the unrestricted publication of the recordings, images and data on the Internet, e.g. through the FLUX-GERÄTE GMBH website, and the sites of its subsidiaries and sales partners. Any use of the recordings, pictures or data for purposes other than those specified, or commercialisation by transferring the same to a third party, is prohibited.

I am aware that recordings and personal data published online are accessible worldwide, including in countries with less stringent data protection standards. Further distribution and use of the same by unauthorised third parties therefore cannot be ruled out. If consent is withdrawn, it is therefore impossible to guarantee that the pictures, recordings and data will be erased from the internet completely.

I have noted that consent is voluntary and that I may revoke this consent at any time. I will not suffer any detriment as a result of refusing to grant consent or of revoking the same.

Any flyers or brochures that have already been printed will not be discarded.
